Application for Temporary Road Closure Permit

General Local Law 2017

Rules for Temporary Road Closure

This permit relies on the permit holder meeting all of these rules and any other [statutory obligation](#) associated with the activity.

1. Any road closures including car parks will not be allowed for longer than six hours, and will not be allowed after sunset, unless special permission is given by Council.
2. You must provide Council a copy of your public liability insurance.
3. The length of the part of the street that is closed must be less than 200m and include only those [frontages](#) of properties of which the residents or businesses are in agreement with the street being closed.
4. The road closure must be in line with the site plan that has been approved by Council.
5. That all persons who will be affected by the road closure have been contacted and : -
 - They have received formal written advice
 - They have been talked with to reduce the impact of any proposed road closure
 - They have been given an opportunity to lodge objections.
6. Road closures must be done using [barricades](#) and warning signs supplied and put up by an appropriate contractor. Council reserves the right to require the applicant to provide additional warning signs, at the applicant's cost.
7. Organisers are required to have enough marshals and management [contingencies](#) to control security and the safe operation of their event and the safe movement of vehicle and pedestrian traffic. All road marshals should be trained and briefed on their responsibilities, are to be suitably identified, and must wear high visibility jackets.
8. The activities of the event must not interfere with normal pedestrian use of the street or residents needing vehicle access to their properties.
9. [Barriers](#) and street blockages must be removed straight away in the event that access is required by emergency vehicles including, Victoria Police, Fire Brigade, Ambulance, East Gippsland Water and Eastern Energy.
10. Organisers are required to have an appropriate traffic management or car parking plan to deal with the expected numbers or vehicles attending the event.
