

Sort your load and save!

Did you know these items can be recycled for FREE at the Bairnsdale Landfill and selected transfer stations? Sort out your load and dispose of your recyclables for free!

For more information on our facilities visit:
eastgippsland.vic.gov.au/transfer-stations

Waste vouchers are included on rates notices

Property owners are issued with one hard waste and one green waste voucher with their annual rates notice. These vouchers are for the fee-free disposal of 1 cubic metre of eligible hard waste and 1.5 cubic metres of green organic waste, and are valid until 31 August each year.

November is NO FEE for green waste disposal

A 'No Fee' green waste disposal period takes place in November to help residents prepare for the bushfire season. Eligible material includes branches up to 30cm diameter, grass clippings, hardwood timber and fencing, and raw timber offcuts. Treated or painted timber is not eligible.

Try our easy drop-off Recycling Hubs

Free community **Recycling Hubs** are now located throughout East Gippsland to make it **easy** for people to drop off **batteries, small e-waste, lightbulbs** and **medicine blister packs**.
